Subject: Notes from March 12 Oregon CZARA Agriculture Technical Workgroup Meeting:
Attachments: Ag tech team Notes March 12 meeting march 16 version.docx; bibliography annotated March 16.docx

Attached, please find my notes from the MARCH 12 call and an updated version of my draft (work in progress) annotated bibliography on scientific articles related to ag and/or coho salmon. If anyone has suggestions for additions to the bibliography, please let me know.

March 12 Oregon CZARA Agriculture Technical Workgroup Meeting Action Items

Action Items

Kevin Fenn will give us a list of recent plans and will send link on biennial reports, evaluations in the CZARA area.

Rob will provide his notes and Judith, ODA, will review for accuracy and completeness.

Ag MMs reviews
CAFOs: Jayne, Alan & Rob
Grazing: Alan, Rob (Jayne)
Erosion: Rob, Marty
Pesticides: Jenny
Nutrients: Marty
Irrigation: Alan

Koto, DEQ, is compiling all plan reviews and comments and will provide her evaluations to us by the end of the month. Alan is arranging Koto to join us to discuss her evaluations sometime in April.

Rob will revise his paper to address concerns and suggestions made during the call including adding more scientific detail.

Jayne will follow up with Christine on how to arrange an information sharing meeting with management and staff sometime in May (and the status of her following up with Katie Koba and Richard Whitman on encouraging the state agencies to work with us at the technical staff level). *(Done. Should go ahead and proceed with setting up meeting)*

Cheers,

Jayne
